## Your invoice

| Quantity              | Description                                                                                                | Unit price | Total price      |
|-----------------------|------------------------------------------------------------------------------------------------------------|------------|------------------|
| 1 x                   | Advance payment for order 54462936<br>Services are provided after receipt of payment.<br>RS 2000 G12 ip iv | 21,11 EUR  | 21,11 EUR        |
| 1 x                   | Advance payment for order 54462936<br>Services are provided after receipt of payment.<br>IPv4 Connectivity | 0,50 EUR   | 0,50 EUR         |
| 1 x                   | Advance payment for order 54462936<br>Services are provided after receipt of payment.<br>IPv6 Connectivity | 0,00 EUR   | 0,00 EUR         |
| <b>Subtotal</b>       |                                                                                                            |            | <b>21,61 EUR</b> |
| excl. 0% VAT          |                                                                                                            |            | 0,00 EUR         |
| <b>Invoice amount</b> |                                                                                                            |            | <b>21,61 EUR</b> |

The amount of the invoice will be credited to your customer account.  
After the ordered services have been provided, a separate invoice will be issued for the services provided.  
Thank you for your trust.

Now you also have the possibility to pay invoices from 0,50 EUR by credit card.
